

## Press Release

### **Subject: Accreditation Visit by National Agriculture Education Accreditation Council For BS Poultry Science and BS Food Science Programs at Cholistan University of Veterinary and Animal Sciences Bahawalpur**

**Bahawalpur-** On 10 February 2026, Under the direction of **Prof. Dr. Muhammad Mazhar Ayaz, Vice Chancellor, CUVAS Bahawalpur**, a delegation from the National Agricultural Education Accreditation Council (NAEAC), Higher Education Commission (HEC), Islamabad, visited the Department of Poultry Sciences and Department Food Sciences at the Cholistan University of Veterinary and Animal Sciences (CUVAS) for accreditation. The delegation included **Prof. Dr. Muhammad Riaz**, Dean, Faculty of Food Science and Nutrition, Bahauddin Zakariya University, Multan; **Dr. Abdul Ghaffar**, Secretary NAEAC and Ex-CSO, Animal Sciences Institute, NARC; and **Mr. Zafar Ali**, Software Engineer, NAEAC.

The Vice Chancellor Prof. Dr. Muhammad Mazhar Ayaz, Prof. Dr. Abdul Ghaffar and Prof. Dr. Faiz-Ul Hassan welcomed council members. Director Quality Enhancement Cell Dr. Rana Muhammad Bilal, Dr. Tahir Mahmood Qureshi and Mr. Muhammad Arslan facilitated the Food technology and Poultry Science degree accreditation process.

The NAEAC team also inspected teaching laboratories, research facilities, classrooms, library resources, and quality enhancement processes to ensure alignment with national standards. Special emphasis was placed on curriculum relevance, practical training, industry collaboration, and student learning outcomes. The university administration expressed gratitude to the NAEAC team for their professional evaluation and constructive feedback, reaffirming its commitment to continuous improvement and academic excellence.
