Dr. Inam Ullah Wattoo

Biography

Assistant Professor of Islamic Studies in the Department of Social & Allied Sciences at Cholistan University of Veterinary & Animal Sciences (CUVAS), Bahawalpur, Pakistan. My research interests include Orientalism, Western scholarship on Islam, Qur'anic Studies, Seerah, interfaith harmony, comparative religious studies, Islamic social thought, Zakat and Waqf, Islamic finance, the Halal industry, and the application of artificial intelligence in Islamic Studies. His scholarly work aims to connect Islamic intellectual traditions with contemporary challenges in social development, ethical governance, religious coexistence, and higher education. He is particularly interested in interdisciplinary and evidence-based research that promotes social cohesion, institutional accountability, and the advancement of Islamic Studies as a contemporary academic discipline. He has presented his research papers in several national and international conferences. So far, he has produced around 8 M.Phil graduates under his supervision.

Areas of Interest
