1. CUVAS Organizes Hands-On Training Workshop on Balanced Nutrition and Feeding Management of Animals

Cholistan University of Veterinary and Animal Sciences (CUVAS), Bahawalpur, organized a one-day hands-on training workshop on **"Balanced Nutrition and Feeding Management of Animals"** at the Institute for Livestock Nutrition and Forage Research (ILNFR), CUVAS, to enhance the technical knowledge and practical skills of livestock farmers.

The workshop was organized under the guidance of Worthy Vice Chancellor Prof. Dr. Muhammad Tariq Javed to promote balanced animal nutrition, improved feeding practices, enhanced livestock productivity, and increased profitability among farmers, particularly in southern Punjab and Cholistan.

The Vice Chancellor appreciated the initiative and commended the organizers and speakers for their efforts to strengthen farmers' capacities through practical training and knowledge sharing. He interacted with participating farmers, discussed their livestock farming practices and challenges, and highlighted the importance of balanced nutrition, appropriate feeding management, and modern livestock production techniques. He emphasized that improving animal health and productivity through scientific feeding practices is essential for increasing farmers' incomes and strengthening the livestock sector.

The technical sessions covered the principles and preparation of balanced feed, feeding management, nutrient requirements of animals, feed formulation, the importance of *wanda* (concentrate feed), and the urea-molasses treatment of wheat straw.

The sessions were delivered by Dr. Asif Javaid, Dr. Imtiaz Hussain Raja, and Dr. Muhammad Uzair Akhtar from CUVAS, along with industrial expert Dr. Hafiz Qamar Zaman, Regional Sales Manager (RSM), South Punjab, Indus Cattle Feed. The concluding session was conducted by Prof. Dr. Musarrat Abbas Khan of The Islamia University of Bahawalpur.

The workshop provided livestock farmers with valuable technical guidance, practical knowledge, and an opportunity to interact directly with university experts. It reflects CUVAS's commitment to bridging the gap between academic expertise and farming communities, promoting evidence-based livestock management, and contributing to sustainable rural development.

The workshop was organized by ILNFR, CUVAS, with sponsorship from Indus Cattle Feed.

Together for Better Nutrition, Healthier Animals, and Stronger Rural Communities

2: CUVAS Inaugurates RO Water Plant at Main Library with Support of Alkhidmat Foundation

Cholistan University of Veterinary and Animal Sciences (CUVAS), Bahawalpur, inaugurated a Reverse Osmosis (RO) water plant at the Main Library with the support of Alkhidmat Foundation, under the vision and special efforts of Worthy Vice Chancellor Prof. Dr. Muhammad Tariq Javed.

The inauguration ceremony was performed by Nasrullah Khan Nasir, chairman Al Khidmat foundation, District Bahawalpur. The initiative reflects the Vice Chancellor's strong commitment to student facilitation and well-being. Fulfilling his promise to students, the Vice Chancellor has been making every possible effort to improve campus facilities and ensure the availability of clean and safe drinking water.

The newly installed RO plant will provide students with easy access to purified drinking water at the Main Library, benefiting those who spend long hours studying and preparing for examinations. The initiative is another practical step towards providing students with a healthier, safer, and more supportive learning environment.

The Vice Chancellor appreciated Alkhidmat Foundation for its valuable cooperation and support in this student-welfare initiative. He reiterated his commitment to addressing students' needs and improving essential facilities across the university.

The ceremony was attended by Hafiz Utbanullah, General Secretary; Rashid Aziz Hashmi, In-Charge, Media Cell; Shahid Nazir, Administrator, Alkhidmat Foundation; Syed Luqman Shah, Assistant Administrator, Alkhidmat Foundation; and Muhammad Naeem, Media Coordinator, Alkhidmat Foundation.

The collaboration between CUVAS and Alkhidmat Foundation reflects a shared commitment to student welfare and the provision of essential facilities on campus.

3: CUVAS Inaugurates 9th Inter-Faculty Sports Championship 2026 in Bahawalpur

The 9th Inter-Faculty Sports Championship 2026 commenced at Cholistan University of Veterinary and Animal Sciences (CUVAS), Bahawalpur, with an exciting volleyball match inaugurated by Worthy Vice Chancellor Prof. Dr. Muhammad Tariq Javed.
The annual sports championship features inter-faculty competitions in various sports, including badminton, table tennis, volleyball, basketball, wrestling, kabaddi, and cricket, providing students with opportunities to demonstrate their athletic abilities, teamwork, and sportsmanship.
Addressing the inauguration ceremony, Vice Chancellor Prof. Dr. Muhammad Tariq Javed emphasized the vital role of sports in students' personal, physical, and academic development. He highlighted that sports promote discipline, tolerance, teamwork and a healthy competitive spirit. He observed that physically active students are better equipped to excel in their academic pursuits, stressing that a healthy body leads to a healthy mind.
The Vice Chancellor encouraged students to make sports an integral part of university life, helping them relieve academic stress and maintain physical fitness. He also announced CUVAS's full participation in the upcoming Chief Minister's Youth Sports 2026.
Prof. Dr. Muhammad Tariq Javed appreciated the efforts of PO Sports Dr. Asif for his dedicated role in organizing the championship, with the support and cooperation of Director Sports Syed Asif Imran. He acknowledged their commitment and teamwork in ensuring the successful organization of the event and promoting a vibrant sports culture at the university.

Concluding his address, the Vice Chancellor encouraged all students to participate enthusiastically in the championship and uphold the values of fair play, unity, discipline, and sportsmanship throughout the competitions.

4: Long-Standing Residential Issue Resolved: Residential Quarters Allotted to CUVAS Employees on Merit

Government residential quarters located within the university premises had been lying vacant for the last 8 years. Due to this, faculty members and administrative staff were facing severe residential problems.

Taking notice of the issue, Worthy Vice Chancellor Prof. Dr. Muhammad Tariq Javed took a timely and merit-based initiative. Under his leadership, the long-standing demand of the employees was fulfilled and the vacant official residences have now been allotted to faculty members and supporting staff purely on merit.

The allotted houses, which were previously unoccupied and deteriorating due to non-use, have been revived. This step will not only save government property from further damage but also provide significant relief to the employees.

The faculty and staff members have expressed their profound gratitude to the Vice Chancellor, Prof. Dr. Muhammad Tariq Javed, for resolving their long-standing issue. They termed the allotment as a positive and employee-friendly step.

On this occasion, the Vice Chancellor stated that the university administration is committed to resolving the problems of its employees on a priority basis and will continue to take similar steps for their welfare and well-being in the future.

The merit-based allotment of residential accommodation is being regarded as an important milestone and a major achievement for the welfare of CUVAS employees.

5: CUVAS Organizes First Inter-Departmental Speech Competition Under "Pur-Azam, Ba-Aitmaad Pakistani"

Cholistan University of Veterinary and Animal Sciences (CUVAS), Bahawalpur, organized its first Inter-Departmental Speech Competition under the theme "Pur-Azam, Ba-Aitmaad Pakistani" in collaboration with the Debating Club and Senior Tutor Office.

Students from different departments participated enthusiastically and delivered impressive speeches, demonstrating confidence, patriotism, and excellent communication skills. Following the competition, 15 students were selected in recognition of their outstanding performances.

Vice Chancellor Prof. Dr. Muhammad Tariq Javed appreciated the students' performances and commended the organizers for arranging this constructive activity. He expressed his happiness over the students' confidence and enthusiasm, emphasizing that such initiatives play a vital role in developing leadership, public-speaking skills, and a strong sense of national responsibility among young people.

The Vice Chancellor encouraged the selected students to continue working hard and represent the university with confidence and distinction. He also appreciated the efforts of the Debating Club and Senior Tutor Office in promoting students' intellectual and personal development.

The event marked a positive step toward encouraging confident, talented, and responsible youth committed to the progress and prosperity of Pakistan.

Thesis Title: ***New Fossil Remains of Artiodactyla from the Drebh Locality near Sakhi Sarwar, Sulaiman Range, and Their Connection to Fossil Deposits on Other Continents***

6: CUVAS Observes Kashmir Black Day with a Message of Solidarity and Support for the Right to Self-Determination

Cholistan University of Veterinary and Animal Sciences (CUVAS), Bahawalpur, observed Kashmir Black Day to express solidarity with the people of Indian Illegally Occupied Jammu and Kashmir (IIOJK) and reaffirm their right to self-determination.

The event was organized by the Senior Tutor Office, CUVAS, to highlight the historical significance of Kashmir Black Day and raise awareness about the ongoing struggles and sacrifices of the Kashmiri people for their fundamental rights and freedom.

Vice Chancellor Prof. Dr. Muhammad Tariq Javed emphasized the importance of observing Kashmir Black Day and guided the participants regarding the historical background of the Kashmir issue, the significance of national solidarity, and Pakistan's continued moral and diplomatic support for the Kashmiri people. He encouraged students to remain informed, responsible, and committed to raising awareness about the right to self-determination through peaceful and constructive means.

The university reaffirmed its commitment to standing with the people of Kashmir and supporting their legitimate aspirations for peace, justice, and self-determination.
